1. (FLEWING) requests BDC traces on

Dr. Ludwig # - NEUBOURG

FILE: 29 June 1963 in Potsdam.

2. FLEWING is particularly interested in determining when Subject entered the Geheim Staatspolizei and whether he served with the criminal police prior to entering the GESTAPO. We cannot establish that the reference BDC trace was an at CATHIE request and therefore ask that new BDC traces be run. Please forward photocopies.

3. Munich traces on Subject consist only of references.

4. Despite the fact that FLEWING originated the request, we do not believe that there is any current security question other than the possibility of Subject's life about his wartime career.
